JOHN F. KEENAN, United States District Judge:

Section 2(a) of the Court's practices generally requires a pre-motion conference before a party may make any motion. This requirement is hereby waived with respect to motions to remand filed in this multi-district litigation because the jurisdictional issues typically raised by such motions can be resolved more efficiently without a conference. Accordingly, it is ORDERED that plaintiffs may file motions to remand without first requesting a pre-motion conference.

SO ORDERED.
